**PRESERVATION, PACKAGING AND PACKING:** Preservation, packaging and packing shall be in accordance with contract AFMC Form 158 and attachments thereto.

**a. GOVERNMENT OWNED SHIPPING CONTAINERS:** Extreme care shall be exercised in removing items received in government owned specification and non-specification containers. Repair or replacement of such containers and blocking/bracing resulting from damage caused by contractor negligence shall be accomplished by the contractor at no cost to the government. If assets are received in incorrect containers or in the event the containers have exceeded their life expectancy the contractor shall contact the Administrative Contracting Officer (ACO) for authorization to procure new containers. This should take place before assets are ready to be returned to the designated activity. The containers should be stored, reused and/or repaired for return of like items to the government in accordance with contract. Authority for storage and reuse, repair or non-repair, modification or non-modification or disposal and replacement shall rest with the Administrative Contracting Officer (ACO) or his authorized government representative.

**b. CONTRACTOR FURNISHED SHIPPING CONTAINERS:** Manufacturing or procurement of containers authorized for replacement by the Administrative Contracting Officer (ACO) shall be furnished by the contractor IAW the terms set forth in the contract. Cost reimbursement or material replacement associated with operation shall be negotiated as part of the contract.
